Subscription \$2.00, U.S.A. \$1.50

## Oxford Group to Visit Arrowwood

### Will Be Here Saturday and Sunday

For years Guy Morton, Manager of the Electrical Engineers, Calgary, taught a boys' class in Sunday School. A visitor came to his class and something happened. It will be strange indeed if Mr. Morton does not tell of that event in at least one of the three meetings to be held in Arrowwood next Saturday and Sunday. At all events life has been altogether different for him since that day and this "life-changing" business has taken first place in his life. Last Sunday he and his comrades were in Medicine Hat. This week-end they will be with us. All they will do is to tell of their own lives and how the change came.

The first meeting will be in the Inghram Building at 8 o'clock Saturday night. At 11:45 Sunday morning they will be with Mr. Gilbert at the United Church service. In the afternoon, another public meeting will be held in the Inghram Building.

They have no need to propagate nor rites to promote. They are not an organized body, but today are parts of every Christian organized body. So far as we know and we do know many of them, the Group has in every case sent the individual back to his own church to work harder, whether in manual labor, teaching or testifying.

Nor have they forced themselves upon us. One from the Brethren Church and one from the local United Church was on the committee who invited them. They are coming solely to help us. We cannot help them more than by attending some or all of these meetings.

## Buffalo Hill News

The Buffalo Hill Christmas Christmas Concert and Dance will be held on Tuesday, Dec. 18th. The change was made owing to other events in nearby schools on the former date. The ladies are asked to remember the extra.

Mrs. Fisher, writing from California, to Miss Rose Shatto, stated that everything seems very nice there, especially after passing through snow-banks en route, to come into the green foliage, which made quite contrast.

Mr. Hirst Goldthorpe is busy cutting up feed with a Hammer Mill for his stock.

The turkey shoot at Dave Munsey's last Saturday disposed of 12 to 15 birds. There was a medium crowd present.

### WILSON-HOLLAND

On Monday afternoon, Dec. 10th, a quiet wedding took place at the home of Mr. and Mrs. A. F. Wilson, when their son John Raymond and Miss Florence Holland, daughter of Mrs. N. Riddell, of Arrowwood, were married. After the ceremony at 2:30, Miss Ruth McKinnon sang. A sumptuous lunch was prepared by Mrs. Wilson, after which the young folk left for Calgary, Mr. and Mrs. Wilson will take up their residence on a farm north of Gleichen.

## White Lunch Arrowwood

Call in and see our full line of Fancy Box Chocolates, Cakes Xmas Puddings and Cake Decorations. Decorate the kiddies' cakes with Mitten and Roses from 15c. Lunches served to curling and rink patrons till 11:30 p.m.

3:30 5—Skating, under 13  
5:40—High School Hockey  
7:8—Sr Hockey Riders  
8:10—Skating

**WEDNESDAY**  
3:30 5—Skating, under 13  
5:40—Midnet Hockey Practice  
7:8—Sr Hockey Practice  
8:10—Skating

**THURSDAY**  
3:30 5—Skating, under 13  
5:40—Sr Hockey Practice  
7:8—Rough Riders  
8:10—Skating

**FRIDAY**  
3:30 5—Skating, under 13  
6:30 7:30—High School Hockey  
7:30 10—Skating

**SATURDAY**  
2:5—Skating  
6:30 7:30—Midnet Hockey  
7:30 10—Skating

### SUNDAY

Children under 13 years are kindly requested to leave the rink at 5 p.m. All skaters are requested to co-operate in closing the rink at proper time thus curtailing extra expense in light, heat, etc.

## Trains No's 1 and 2 Now Equipped With Standard Sleeper Car

The Canadian Pacific announce that Trains No's 1 and 2 are now equipped with Standard Sleeper and Buffet car in addition to the regular Tourist sleeper and day coaches.

## High School Party, An Enjoyable Event

Recently the high school boys of Arrowwood produced a Literary program of such rare merit as to put that of the girls to shame. According to a pre-arranged bargain, the group, judged by Miss Jennie John, Mr. McCullough and Mr. Leonard, to afford the poorest entertainment were to put on an entertainment for their betters. So the girls after due deliberation essayed forth in true sportsmanlike manner, with the plan of a skating party. Consequently on Tuesday evening the indignation ditch at Mr. Mossey's was a scene of lively activity. Meeting at the school the party sallied out in cars, truck and van, and after violent efforts to adjust their skates they esconced themselves on the ice. Lively airs drawn forth from the fantastical instrument, the acrobatic, enlightened the spirits of the throng, which consisted of about 50 students. The large expanse of wonderfully smooth ice was welcomed with jubilation, and no one complained of the occasional fall. After every one had become thoroughly tired as well as thoroughly sumped, the company returned to the school where the party was climaxed by a delicious supper. Panama Flipped over of Mr. Jennie John and Mr. Mackie, and flanked with Syrup proved a rare treat. The meal was concluded with pie and coffee. The girls no doubt will wear a feather in their hair for some time to come, for planning this party which was a real success. "One up on you, boys!"

## Brothens Church Notes

The Pastor will preach next Sunday both morning and evening using themes relating to the Christmas season.

Christmas will be appropriately observed at all services on Dec. 23. The evening service includes a candle lighting service.

On Wednesday Dec. 26, Rev. G. C. Long of Iricana will begin a series of illustrated, bible lectures to continue throughout the week. There will be forenoon and afternoon sessions. Everybody is welcome.

## AUTOMOBILE PARTY

There'll be a big blow out at Irwin's, on Friday evening, Dec. 14th. Don't be too tired to come. You'll re-tire feeling better for the good time. All young people who are interested are invited to attend.

## Special Rate on Poultry to Calgary

The Canadian Pacific Express Company has greatly reduced their rates on all poultry shipments from Arrowwood to Calgary and quote the following under in effect: Live poultry, 60c per hundred lbs. dead poultry, 40c per hundred lbs. delivered free to any address in Calgary.

## Arrowwood Notes

Altar Society Monthly Bridge party, Inghram Bldg., Wed. Dec. 19.

Miss Ruth Beagle and Miss Sarah Duncan spent the week-end visiting in Gleichen.

Grace and Freda Board spent the week-end visiting at the home of Mrs. D. McInenly.

Mr. F. McInenly held a turkey shoot on Monday, realizing about 2 dollars a turkey.

At the Arrowwood Theatre tonight, Thursday, Dec. 13th, Leo Tracy in "Advice to the Love Lord."

Mr. and Mrs. E. Lewendon were visitors to Calgary on Saturday.

We have a nice line of greeting cards from 2 for 5c up. E. E. Jacques.

Born—To Mr. and Mrs. G. Garnett of Mossleigh on Saturday, Dec. 8, a son.

The many friends of Mrs. Jack Beagle will regret to hear that she is confined to her bed, stricken with haemorrhage to the brain. Everyone joins in wishing her a speedy recovery.

FOR SALE—Immediately, approximately 3000 No. 1 Oak Boulders, one Jersey strain cow, five years old, due to freshen in June, now milking 16 qts. Apply to R. C. Moreash.

The Arrowwood Community Club will pay cash for a piano in good condition. For particulars see Mrs. R. H. Bishop, convener.

The many friends of Miss Olive Holland will regret to hear that she is seriously ill with Typhoid Fever at her home east of town. We wish her a speedy recovery.

The Boy Scouts are soliciting orders for Xmas trees. They will take orders by Dec. 19 and will deliver them in time for Xmas. Trees at 75c and \$1.

The Salter family are improving favorably during their recent illness. Last week the 3rd and 4th members of the family became stricken with Typhoid fever. The community extends sympathy to this unfortunate family.

The Arrowwood Consolidated School will hold their annual Christmas concert on Friday, Dec. 21st, commencing at 8 o'clock.

Mr. and Mrs. F. Johnson spent the week-end in Leamond visiting at the home of Mrs. Johnson's brother.

Mrs. G. Jones met with a very serious and painful accident last week when she was burned about the arms and face while rendering aid. She is at present under the care of Dr. E. J. Lissauer and up to time of going to press we learn she is improving favorably. Her many friends wish her a speedy recovery.

## Milo News

Mrs. Howard Nelson is spending a few days in Calgary with friends.

Mr. and Mrs. N. St. Peter were business visitors to Calgary.

The hockey club is making good progress with the new rink, the mild weather being the only drawback.

Badminton promises to be a very popular sport this winter everyone being enthusiastic over it at present.

Born to Mr. and Mrs. C. Sutton of Milo, at Medicine Hat Hospital, a daughter.

Mrs. N. McLeod made a business trip to Vancouver last week.

Mrs. P. H. Coleman, of Arrowwood, Teacher of Piano, Vocal, Theory, Harmony, Counterpoint History and form in Milo every Wednesday. Piano class work taught in Arrowwood School every Tuesday at 3:30 p.m.

## East Milo News

The Box Social held in Liberty School on Friday night proved a success. The proceeds are to be used for local Sunshine work.

On Sunday Mr. and Mrs. Vic Bertrand entertained a number of young folks for supper. Among those present were, Miss Murden McIver, Miss Dorothy Jackson, Miss Florence Larson, Mr. Bill Shield, Lawrence Monner and Jack Bushell.

The bridge party held in the Club House last Wednesday was well attended. The prizes were won by Mr. Wayne Monner and Mrs. Bertrand and Mr. Umchied and Mrs. Boswell.

The next meeting of the East Milo M.C. is to be held at the home of Mrs. Voys on Saturday 15th.

Don't forget the dance in Pioneer School on Friday night. Ladies please bring lunch.

## Confidence is Returning

The year of 1934 is rapidly drawing to a close and people are already turning their thoughts to the coming new year and giving consideration to matters which will command their attention and activities in the next twelve-month period. Almost throughout the western provinces municipal councils and school boards have been chosen to which will be entrusted the administration of local community business throughout the year. And the thoughts of all people are inevitably occupied with that betterment of existing conditions may be looked for in the months that lie ahead.

Unquestionably, people are entertaining a greater degree of confidence that the general economic situation is improving than has been in evidence for some time—the most discouraging feature being the continued political unrest in Europe and the effect which any outbreak there would inevitably have upon the whole world. However, confidence grows that here on this western continent the worst of the great depression is over and we are at last and definitely on the upgrade.

Restoration of confidence is one of the essential requirements to carry the world along the road to betterment, because until that confidence is restored everyone is afraid to venture in any direction, all continuing to live from hand to mouth, thinking only of the necessities of the immediate present instead of in terms of a larger and better future. While an undue and unjustified optimism at this time would be just as fatal in the long run as a continuance of an unjustified pessimism, it is perhaps well that confidence should be directed to facts, figures and conditions which provide a sound basis for hopefulness and a greater confidence.

In recent years of financial difficulty and economic depression, many people have come to look with suspicion upon bankers and banking, but the fact remains that our Canadian banking institutions are about the best informed of all organizations as to the exact state of affairs in the Dominion. They have to be. Furthermore, they are always conservative in their sizing up of the general financial, economic and business situation. Banks, as a rule, are not overly enthusiastic or optimistic.

Because the above is true, there is real encouragement to be found in the monthly business summaries and news letters recently issued by the banks of Canada. One of the latest to come to hand is that of the Bank of Montreal, Canada's most conservative banking institution, dated November 23. For the benefit of readers who may not have the opportunity of reading these monthly business summaries, a few facts from this most recent publication may well be quoted as they are of interest to all.

Reviewing the Canadian situation, the Bank of Montreal says: "Trade has continued its upward trend during the past month, and the winter season opens with conditions generally distinctly better than they were a year ago. A review of the first ten months of the present year shows that of some fifty business indices available forty-five show gains, the majority of a pronounced character. The Dominion Bureau of Statistics index of the physical volume of business, which well sums up the whole, has advanced 21.4 per cent."

It is pointed out, too, that industrial activity is more widespread in a wide variety of trades than at any period in 1933, and a wider distribution of goods is being made. Both import and export trade is increasing, but clearings, railway car loadings, mineral production, forests and fisheries all reveal substantial betterments, while even in agriculture and farming the Dominion as a whole, crops have been more abundant than at one time seemed probable and are a sight to behold.

Railway car loadings are greater than for several years and at the end of August were 24% higher than in the preceding year; employment in October, which usually lags somewhat behind the general trend, has reached an official index reaching 100 (which was the index in 1926) compared with 90.4 and 88.7 in October, 1932 and 1933 respectively. Commercial failures were fewer in 1934 than in any of the preceding three years.

Dominion Government revenues reflect this general improvement, with Customs duties collected in the first ten months of this year 25% greater than in the same ten months of 1933.

Referring to the situation in the United States, the bank summary says: "The past month recorded a partial return to the business activity that characterized the earlier months of the year."

Steady improvement in Great Britain is recorded. For the ten-month period total trade increased by \$52,000,000 over the corresponding period last year; railway traffic increased 4.1% since January 1; the number of persons in employment shows further improvement; British Government securities have reached the highest prices on record for nearly thirty years.

Thus the situation in Canada, United States and Great Britain, in which countries Canada is most vitally interested, is found to be of an encouraging character, making for a greater degree of confidence in the future, which, let it be repeated, is an essential condition to continued and greater improvement.

## Prince Sent Prize Cattle

Five Specimens Were in Competition At Chicago Show

Expressing regret that he was unable to attend the thirty-fifth International Live Stock Exposition, the new million-dollar exposition building at the stock yards in Chicago, the Prince of Wales advised manager D. H. Hilde by cable that he was sending five head of Short-

horn cattle and a specimen of Clydesdale draft horse bred to compete. This was the first International show in ten years at which the Prince of Wales has been represented. In 1924 one of his entries, King of the Furies, carried off the grand championship for bulls. The animal was later sold at a record price to an American breeder.

## Corn From South Africa

Enters Canada Duty Free And Saves Postfreight Money

A cargo of 8,000 pounds of corn arrived recently at Vancouver from South Africa. It is claimed that this shipment saves the British Columbia postfreight \$24,000, as it entered Canada duty free. Until the South African corn arrived, Argentina and United States products were imported, on which there was a duty of \$3 a ton. A second shipment was expected. Distribution of this corn tends as far east as Moose Jaw.

## Giant Flying Boat Tested

Intended For Experimental Flights Across Pacific Next Year

A giant flying boat with a cruising range of 2,000 miles and intended ultimately for experimental flights across the Pacific Ocean is now being tested for air worthiness. It was launched at Bridgeport, Conn.

The ship, a Sikorsky, and similar to the "Brazilian Clipper" now operating on a South American route out of Miami, Fla., for Pan American Airways, is known as Clipper No. Five.

Pan-American plans called for tests for Department of Commerce licensing, after which the ship was to make an over-water flight to Miami, out of sight of land.

There at the Alway's main operating base she will continue training flights for the benefit of the intended operating personnel. Some time shortly after the first of the year, the ship will go to California for the first of the experimental flights across the Pacific by way of Hawaii and the Philippines.

The "Brazilian Clipper" has a capacity of 32 passengers, with additional room for 2,500 pounds of press freight. She carries 1,770 gallons of gasoline, and, with full load, has gone 1,250 miles during test flights.

## Aid Found Successful

Removal of Thyroid Gland Helps Sufferers From Heart Disease

Surgical relief of "heart disease," suggested by United States medical authorities, has been found successful in England.

Drs. O. Brenner and Hugh Donovan of Queens hospital, Birmingham, treated six sufferers of congestive heart-failure and angina pectoris by surgical removal of the thyroid gland in the neck, known as the "pacemaker of the body," because it is this gland which governs the speed at which the body processes work.

It has been known for years that in certain diseases of the thyroid gland the heart races, the lungs work more rapidly and other body functions are accelerated. American medical authorities suggested that if the "pacemaker thyroid" were removed, the body processes would adjust themselves to the pace of the weaker part of the body-machine, the flagging heart. This theory was followed by Drs. Brenner and Donovan and the results have so far been successful, they stated.

The six patients treated by the new surgical method now are capable of more exertion than has been possible previously, the doctors report.

Friend—This is gratifying news. I see that the single paying passenger was killed on an American railroad in 1932.

Railroad Man—We can't afford to lose any.

It is as bad to have too many friends as no friends at all.

## TINY MALTA MOVES FOR PEACE

Scene in Valletta, Malta.

Ancient ruins of the island.

Malta, British Mediterranean outpost, which has a history tracing back to ancient times, is making the front pages again, this time in a great stride towards peace. The island's 220,000 inhabitants have been informed that Maltese again will be the official language of the island, replacing British and Italian in all the schools and law courts. This climaxes controversy between the British island officials and the Church with its Italian-favoring Nationalists. Three times since 1930 Great Britain has suspended the constitution of Malta, and the latest move to make Maltese the official language is taken as an effort on Britain's part to end all the internal strife.

## Scout Had Wonderful Trip

Spent Summer in Northern Seas On Steamship Naascope

Thirteen thousand miles had been covered by Godfrey McCulloch, Winnipeg's Kiwanis scout, when he arrived in Winnipeg after having travelled with the steamship Naascope on his annual trip through northern waters to the Arctic ports of the Hudson's Bay Company and the Royal Canadian Mounted Police.

It was an adventurous and wonderful journey which has come the way of few youths and the Winnipeg scout, who received it from the Hudson's Bay Company as the award given annually to Canada's outstanding scout, realized that when he arrived at the C.M.R. station and was greeted by his mother, Mrs. A. H. McCulloch, his friends and officials of the Manitoba council of the boy scout association.

He left Winnipeg on June 28, going first by train to Toronto and Ottawa and then to Montreal, from where the Naascope sailed July 7. In Ottawa he received the flag of the Boy Scout Association, which flew at the tip of one of the steamer's masts during the whole journey.

As the steamer sailed northward he saw the barren, rocky coast of Labrador, Cartwright, Repulse Bay, Harbord, Baffin Land, Wakeham Bay, Wolstenholme, Cape Smith, Port Harrison and Charlton Island were ports on the northern coast where the steamer called as she proceeded to Hudson Bay and James Bay.

His company on the ship was as interesting as the journey itself. There was Ashley Cooper, governor of the company, and his party, Dominion government, R.C.M.P. officers on their way to duty at northern outposts, and men who would work at Hudson's Bay Company trading posts.

Several times the steamer was locked in ice floes and fog, on one occasion for seven days, and three days at another time.

The most northerly point reached by the ship was Craig Harbor, on Ellesmere Island, R.C.M.P. officers are stationed. En route to the island the ship stopped at North Devon Island to establish a new R.C.M.P. post at Dundas Harbor. Two company men were left at the new post with several Eskimo families and their dogs, taken up from Churchill.

The return was started from Ellesmere Island about the middle of September, after several snows, which would remain until next summer had fallen and ice had begun to form.

The Naascope arrived at Halifax on the evening of Sept. 30, and Godfrey visited several eastern cities before continuing west.

The long trip is now over, and his second year in pre-medicine at the University of Manitoba has begun. He is a member of the 44th Winnipeg post, St. Margaret's church.

An oyster is 76 to 81 per cent. shell; with weight; and 8 to 18 per cent. meat.

## The Hero Of Trafalgar

Nelson Was Considered Weak Youth When He Started Career

The exhibition of old pictures illustrating Vice-Admiral Viscount Horatio Nelson's career, recorded at the Parker Gallery, is full of interest. When Nelson joined the ship of his uncle, Maurice Boscawen, the latter asked his father what the lad had done, that one so weak should be sent to rough it at sea.

That was in 1770. Twenty-seven years later at Santa Cruz the "weak youth" swarmed up a rope to board his ship, the *Thesus*, calling for the surgeon to amputate his shattered right arm. Sixty hours later, after an operation minus any kind of an anesthetic, Nelson was writing a despatch to Lord St. Vincent with his left hand. He assured the Duke of Clarence "I served a craft that arduous with which I served our King has been about away."

Of Cape Trafalgar, on the historic eve of our most glorious naval action, he said, "I'll now annex the sea with a signal" and gave his captains the immortal "England expects" etc. A few hours later came the tragic. "They have got me at last, Hardy!"—London Letter.

## Make Valuable Discovery

Carthage, Buried For Centuries, Has Been Brought To Light

A whole section of the ancient city of Carthage, buried for centuries beneath the sands of Northern Africa, has been brought to light, archaeological workers announced.

The excavations have revealed villas, paved streets, houses and buildings almost intact from the second and third centuries, and the discovery is regarded by scholars as of great archaeological importance.

A part of the ancient city, hitherto unknown, which overlooked the Gulf of Tunis, has been uncovered, giving a vivid picture of daily life as it was long centuries ago.

The excavations are being continued, and a careful guard is being kept to prevent looting and vandalism.

## Oldest Farm Workers

The combined ages of the three men who won the prizes offered by Williston and Dunster Agricultural Association, England, for the oldest farm workers still in active employment totalled 251 years. First prize, £25, was won by John Chislett (85 years), second to John Reed (84), and third to Thomas Gould (83).

The ancient Russians buried the unfaithful wife to the waist in damp earth.

Tin served as money in ancient Britain, iron in Sparta, lead in Burma, platinum in Russia.

The largest known pearl in the world measures four and one-half inches in circumference.

A single deck of cards provides the material for 733 different games.

## FALSE TEETH

Dr. WERNETT'S POWDER

Dr. Wernett's Powder holds false teeth as firmly as naturally-occurring teeth. It is used for 24 hours—then actually feel natural—eat, laugh, sleep without fear of any slipping. Prescribed by the world's most eminent dentists—they know it's the best and most reliable use. Inexpensive—any drugstore.

## TO END PAIN

Go to the nearest drug store and get a box of Minard's. It will relieve your pain in minutes. It is the only remedy that is so effective. It is the only remedy that is so safe. It is the only remedy that is so cheap.

Editor and Publisher

## Steady Progress

During the last year or more no publication has shown more remarkable strides in the matter of increased circulation than has the Family Herald and Weekly Star. This is not strange for it is evident that in times of stress people are prone to cut down on the number and variety of magazines and papers coming into their home and they find in the Family Herald and Weekly Star a paper, which at \$1.00 per year, gives them every variety of reading, for old and young, all combined in this one publication. Every issue overflows with practical farming ideas, up-to-the-minute articles, short stories together with a weekly newspaper section which rounds out a feast of reading without compare. Truly it has been well said that the Family Herald and Weekly Star is the best for the least.

## Annual Report of the Activities of the U.F.W.A. for 1934

Since the annual meeting on Dec. 6, 1933, we have held 17 meetings. Twenty-nine names are on our roll with 26 paid up members. On one meeting at which Mrs. Kemper and Mr. Vancil gave their excellent reports of the conference at Edmonton were held. Two joint meetings were held with the U.F.A. which were enjoyed.

Some of our activities through the year have been: purchased flannellette for needy family; gave \$5 to the Frances Bateman fund; sponsored the lecture by David Cameron; paid \$17 for the Macleod Federal constituency dues; subscribed to the fund for needy mothers sponsored by Miss Kate Brightly paid eleven dollars for glasses for small girl; held a dry-cleaning demonstration with Miss M.E. Taylor for instructor; gave a special offering to the United Farmers. Little Bow Constituency dues of \$9.50 were paid and a sale of plants and seeds was held for the sunshine fund. The Salvation Army and \$5 to the Young Peoples University Week.

The following demonstrations

were given: making rings, chocolate food cakes, and jams and marmalades using grape-fruit, oranges and lemons.

We particularly wish to extend thanks to Dr. Liesner for his wonderful talk on "Cancer" to Miss Andrews for her splendid paper on "New Methods of Teaching Reading" and to the girls from the Daughters of the Empire for their musical numbers, and to all others who are not members but have contributed special numbers throughout the year.

We were entertained by the Berrywater and Queenstown towns when very enjoyable afternoons were spent. Delegates were sent to the Edmonton convention, the conference at Milo and Nanton and the Little Bow and Macleod Federal constituency conventions.

Some of our activities relating to finances are—as follows: From subscriptions to Macleod publications \$650 has been realized, pillow and silver which were raffled \$8.50; bridge at Mrs. Williams on Nov. 17, \$7.15 and the fowl supper which netted \$32.20. Our Sunshine committee has remembered thirty one different people during the past year and has a balance of \$4.04 in the Sunshine fund.

An all day meeting with a covered dish luncheon will be held at Mrs. J. S. Culp's on Dec. 18. All members and friends are invited. An exchange of gifts will be held, each person attending bringing a gift not to exceed twenty-five cents in cost. A candy demonstration will be held at this meeting. The sale of lingerie will be continued at the Dec. 19 meeting.

Mrs. Leslie Parnell proved a charming hostess to the U.F.W.A. on Wed. Dec. 5 when sixteen ladies enjoyed her hospitality. Christmas colors were carried out in refreshments and decorations. The following officers

were elected:  
Pres.—Mr. R. R. McBride  
V. Pres.—Mrs. John Mason  
Secy.—Mrs. G. Leith  
Treas.—Mrs. Harry Ellis  
Reporter—Mrs. Ella Parnell  
Pianists—Mrs. Weins and Mrs. Parnell  
Directors—Mrs. R. F. Williams, Mrs. Ward, Mrs. Mackie, Mrs. Richards, Mrs. Lewendon.  
Delegates to the Annual Convention—Mrs. Geo. Leith with Mrs. Halse alternate.

## Annual Meeting of the Altar Society

The Annual meeting of the Altar Society was held at the home of Mrs. E. E. Jacques last Friday afternoon, eleven members and one visitor being present. The meeting opened in the usual way, after which officers for the coming year were elected as follows:

Pres.—Mrs. McRae  
Secy.—Mrs. N. J. Lord  
Reports read showed that the Society had had a very successful year. After discussing plans for the card party on Dec. 19th, a delicious lunch was served by Mrs. C. Journey and Mrs. I. Daubs. The next meeting will be held at the home of Mrs. J. A. Rainville on Jan. 21.

## Annual Meeting of Community Club

The Arrowwood Community Club met at the home of Mrs. E. E. Parnell on Tuesday Dec. 11 with 13 members present. Mrs. Parnell gave a report on Sunshine. It was decided to buy a community club piano, to be placed in Ingraham's Hall for the use of the public at a small rental charge. The election of officers for the new year was as follows:

Pres.—Mrs. A. A. Clifgard  
V. Pres.—Mrs. C. G. Taylor  
Secy.—Mrs. R. Anderson  
Directors—Mrs. R. H. Bishop, Mrs. E. E. Jacques, Mrs. F. E. Bell and Mrs. Leith.

Adjournment was moved by Mrs. Bell.

Mrs. Clifgard gave a paper. Mrs. Lewendon and Mrs. Clifgard served lunch.

Mrs. Parnell	2.00
Mrs. Bell	2.00
Mrs. Shouldice	1.00
Mrs. Halse	1.00
Miss Jennie John	1.00
Mrs. Lewendon	.80

## W.G.G.S. Conference

Following are extracts from the report of the W.G.G.S. Conference held last August at Adelboden, Switzerland:

Twenty nine countries were represented at the conference. Vivid descriptions of the picturesque scenes enacted under the snow capped peaks of the Bernese Oberland were given. One of these, the "International Evening," when the colorful native costumes of Sweden, Japan, Norway, Finland, India, Roumania, Belgium, France and other countries, intermingling with many different Swiss peasant costumes in grand marches and national songs and dances, gave an unforgettable

table impression of the world wide strength of Guiding.

Another highlight was the evening of the day when the Swiss Guides entertained the delegates on the hillside by the "Chalet," a Guide hostel donated to the world sisterhood by Helen Storrow. After tea the guests gathered in the twilight and to the stirring tones of a great Alpine horn on the hilltop the Swiss Guides gave a program of old Swiss folk song and dances to the music of three accordions played by Guides. As the light faded, the campfire was lit, and at the same moment a different colored lantern appeared in every window of the Chalet. After "Taps"

the party ended with the Swiss carrying the colored lanterns over their shoulders, winding up the hillside in single file to their camp above.

At the conclusion of the conference the chief Guide in her farewell speech urged all delegates to return home and radiate the inspiration, help and courage they had received. Exhibits included a log cabin from 1st South Saanich Coy. B.C.; a N.W. Territory doll dressed in Guide uniform under writer parka, mitts and mukluks; Miss Quebec Blackfoot Chief and Wife from Alberta and Porcupine Quill basket from Ontario, all of which aroused great interest.
